this remedy is taken as soon as a cold has been contracted and before it has become settled in the system, it will counteract the effect of the cold and greatly lessen its severity, and it is the only remedy that will do this. It acts in perfect harmony with nature and aids nature in relieving the lungs opening the secretions, liquefying, the mucus and causing its expulsion from the air cells of the lungs and restoring the system to a strong and healthy condition. No other remedy in the market possesses these remarkable properties. No other will cure so quickly. For sale by Evans Bros.

Ilean State Senator-elect from this District remarked that one of the questions Republicans had to decide in the coming campaign was whether they wanted a vote cast for a Perkins, a Morrill or an Ady, for United States Senator, or for a Harris, a Jerry Simpson or a Mrs. Lease. It was suppose that the last name was mentioned as a joke, but events seem to be turning it into a prophecy. It seems clear that Mrs. Lease expects to be a candidate for Senator Perkins' seat. And if the Populists have enough votes to elect her they will probably do so. At least they ought to, for she is by
